**FINAL DECISION OF THE CONSRUCTION CODE COMMISSION**

On July 18, 2018, a panel of the Construction Code Commission, designated by the Commission's Chairperson, reviewed the Application for Construction Code Appeal submitted by Mr. David Turowski for the Jewell residence, located at 3634 Charitoo Ridge in Addison Township. Mr. Turowski is appealing the Addison Township Construction Board of Appeals' denial of appeal of the cited violation to Section N1103.3.1 (R 403.3.1) Protection of piping insulation of the 2015 Michigan Residential Code. The application and all supplemental materials were reviewed by the Commission panel. This final decision is issued pursuant to Section 16 of 1972 PA 230.

**FINDINGS AND CONCLUSIONS:** The panel acknowledged receipt and review of the material on this matter at the meeting on the above noted date. Mr. Turowski of Aladdin Heating and Cooling attended the meeting and provided testimony to the panel. Mr. Douglas Lowe, Building Official/Inspector with Addison Township, was unable to attend but did provide materials for the review. Following discussion and review, the Commission panel moved to approve the appeal as submitted since the piping installation is in compliance with the code.

**THEREFORE,** it is the final decision of the Construction Code Commission to approve Mr. Turowski's Application for Construction Code Appeal for the Jewell residence. A judicial review of this decision may be requested in accordance with the Administrative Procedures Act, 1969 PA 306.
